## STANDARD FEATURES

### AVAILABLE SIZES

8'-6" length  
9'-4" length  
11'-4" length

### DESIGN FEATURES & HARDWARE

All steel frame construction  
4" steel channel frame rails  
3" steel channel cross members  
1/8" steel tread plate deck  
Steel tubing headache rack with round "easy view" window grill  
Side rub rails with stake pockets  
Angled Fuel Fill  
Removable 4" tall side rails  
Two lockable flush mounted tool boxes with paddle handle rotary latches, one per side, located in front of wheel well  
Recessed gooseneck ball mounting box with easy access removable cover and two safety chain loops  
Rear bumper with aluminum tread plate trim

Full access receiver mount

Full length rear skirt

Full length side skirt with rolled fenders and aluminum tread plate trim

Rear bed corners tapered for turning radius

Premium TGIC Polyester powdercoating: black

### LIGHTS

Two recessed tail, brake, and back up lights mounted in headache rack

Stop, turn, tail, back up, and tag lights in skirt  
DOT required lighting (clearance and marker lights)

All lighting must be wired to meet all DOT requirements as originally intended by the vehicle manufacturer

### FENDER WELLS

Due to various chassis lengths and configurations, specific measurements may determine the fender well placement on skirted beds (i.e. 2003 Dodge is 58" cab to axle measurement, whereas Ford and Chevy are 56" on bed off models)

Tool Box

60" Tall Headache Rack

Permanent Round Rails

Dovetail

Gooseneck Trough
